

## Learn from the world's top experts – on the topics that matter to your schools

20+ hours of video-based professional learning by educators you know and trust

You want to advance your career but it's hard to justify the time (or the costs) of a national conference. With **LaunchPad** you and your team can engage with nationally recognized speakers and authors when (and where) professional learning works for you.

### Sit front-row with the world's best

The top experts, on the topics you care about, on-demand.

**Kim Marshall** – Teacher Supervision, Coaching & Evaluation

**Dr. Steve Constantino** – Family Engagement

**Beth Estill** – Reading Instruction

**Carla Tantillo-Philibert** – Adult Wellness & Teacher Retention

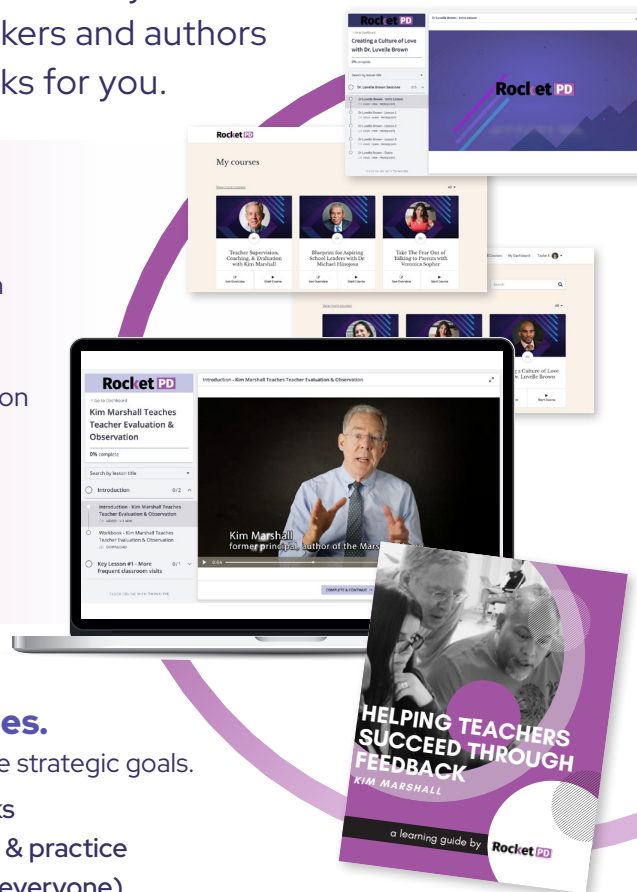

**Dr. Luvelle Brown** – Culture & Inclusion

**Veronica Sopher** – School Communications

**Dr. Michael Hinojosa** – School Leadership

**Dr. Catlin Tucker** – Blended Learning

**A.J. Juliani** – Artificial Intelligence

### Conferences are great for networking, but keynotes don't boost student outcomes.

60-min. video mini-courses feat. practical lessons to achieve strategic goals.

- » Model proven strategies & frameworks
- » Get job-embedded resources for drill & practice
- » Do it all on a schedule that works (for everyone)
